Beloved Parents

1. Please ensure that your child learns their sabaq daily during the holidays.
2. Direct your child to perform their daily Salaah.
3. Constantly remind them of the importance of Islaamic dressing and demonstrate this by not buying them any un-Islamic clothes.
4. Music and television are of great danger and harm to the child's Islaamic Tarbiyat and upbringing. It is our duty to ensure that they be safeguarded from all un-Islaamic and immoral influences.

"True success will be when we pass the exams on the day of Qiyaamah and our book of deeds will given to us in our right hand."
