

Al Qahhaar

The one who overpowers & controls his creation.

If people gather to harm us, its all in the control of Allah Ta'ala.

If he wishes to punish anyone, none can protect.

The Sifaat of Allah Ta'ala

As Samad

The one who is independent of all needs.

If the entire creation worship or disobey Allah Ta'ala at the same time, it will not affect him.

Al Haadi

The one who guides.

If Allah Ta'ala guides a person, then none can misguide.

If Allah Ta'ala misguides a person, then none can guide.
