

# Taif (8 A.H)

2 Tribes living in Taif and its surroundings did not accept Islam immediately.

However, 2 years later they also became Muslims.

Among them were the people who had thrown stones at Nabi صَلَّى اللهُ عَلَيْهِ وَسَلَّمَ when he had gone to Taif.

Nabi صَلَّى اللهُ عَلَيْهِ وَسَلَّمَ forgave the people of Makkah and Taif. He never took revenge on anybody.
