

# The Jealous Kufaar

The Kufaar of Makkah became jealous of the Muslims in Madinah

The Kufaar held back some Muslims in Makkah or some were left behind because of old age. They looked for ways to harm the Muslims.

## Reason of Jealousy:

- Muslims in Madinah were living in peace and happiness.
- Nobody harmed them or prevented them from practicing Islam.
- Adhaan was given openly.
- Salaah was performed in Jam'aah.
