

# Mu-aakhaat (Brotherhood)

Agreement of Brotherhood was made between the **Ansaar** & the **Muhaajireen**.

The Ansaar competed with each other in helping the Muhaajireen.

They shared all their possessions with Muhaajireen.

The Ansaar showed the highest form of brotherhood. The Muhaajireen showed the highest form of Independence.

At first, they even inherited from each other due to brotherhood, however later Allah Ta'ala cancelled this law.

**Ansaar** were the Muslims of Madinah. The **Muhaajireen** were the Muslims of Makkah.
