

Treaty with the Jews

The Jews of Madinah knew Nabi ﷺ was the final prophet, however because of their hatred, they kept opposing him.

Nabi ﷺ entered into an agreement with them in order to be safe from their harms.

The Treaty included the Following:

- a) The Jews were free to practice religion.
- b) The Jews and Muslims would live as friends.
- c) Together they would assist the oppressed.
- d) None of the groups will grant safety to the Quraish.
- e) Assist in times of War.
- f) Any dispute will take place, the final judge is Nabi ﷺ.

However the Jews broke this treaty:

Banu Qaynuqaa in the 2nd Year

Banu Nadheer in the 4th Year

Banu Qaraizah in the 5th Year
