INTRODUCTION

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

The greatest gift that Allah Ta'ala blesses any person with is undoubtedly the gift of Imaan. Any person blessed with Imaan, has to take care and look after his Imaan very, very carefully until he is eventually blessed with death on Imaan, which is indeed the greatest success.

From the eight subjects taught at a maktab, Aqaa'id is the most important subject. This forms the foundation of Islam. That is why perhaps the first thing a child is taught when he enters the maktab is the five kalimahs, thereby strengthening his Imaan.

Children attending state and private schools are faced with huge challenges attacking their Imaan from all sides.

It is for this reason that a child, from a young impressionable age, is taught the important beliefs of a Muslim to combat the attacks against Imaan. The syllabus has been prepared to firmly embed the

fundamental beliefs of a Muslim in the heart and mind of every Muslim child.

May Allah Ta'ala accept this humble effort and make it a means of safeguarding our Imaan.

اَللّٰهُمَّ ثَبِّتْنَا عَلَى الْاِيْمَانِ وَ اَمِتْنَا عَلَى الْاِيْمَانِ وَ اَحْشُرْنَا
يَوْمَ الْقِيَامَةِ مَعَ الْاِيْمَانِ

*O Allah keep us firm on Imaan, allow us to die with
Imaan and raise us on the day of Qiyaamah with
Imaan. Aameen*

Hadhrat Ibraaheem (alayhis salaam) did not worship idols like the people in his town. He knew that idols were made of stone and stones cannot hear, speak or help you. The people became very angry with Ibraaheem (alayhis salaam) for not worshipping their idols. He said to them, "How can I worship idols when they can neither help me nor harm me? Don't you people understand?"

The people were now very angry with him. They got together and planned, "How should we punish Ibraaheem for what he has done?"

The answer was, "Burn him and take revenge for your idols." That was exactly what they did. They lit a huge fire and threw Hadhrat Ibraaheem (alayhis salaam)

into it. Who was going to help him? Off course, Allah Ta'ala who is An-Naasir helped Hadhrat Ibraaheem (alayhis salaam) and said to the fire, “O fire, become cool for Ibraaheem.” Immediately, the fire became cool and a place of comfort for Ibraaheem (alayhis salaam). Allah Ta'ala helped Hadhrat Ibraaheem (alayhis salaam) and the fire did not burn him.

Nabi Ayyoob (alayhis salaam)

Sabr

Shukr

Spring

Al-Qaadir

Hadhrat Ayyoob (alayhis salaam) was a Nabi of Allah Ta'ala. Allah Ta'ala gave him lots of land, animals and money. He was also blessed with a lovely family with fourteen beautiful children. He made shukr (was thankful) to Allah Ta'ala for all these bounties. He never became proud or arrogant because he knew that all these favours are a gift from Allah Ta'ala.

One day, Allah Ta'ala tested Nabi Ayyoob (alayhis salaam). First, his land, animals, and money were taken away. Then, all his children passed away. Later on, he became very sick.

Many years passed like this in difficulty and sickness but Nabi Ayyoob (alayhis salaam) never ever

complained about his condition. He made sabr (was patient) because he knew that all conditions- good and bad- only come from Allah Ta'ala (Taqdeer).

Nabi Ayyoob (alayhis salaam) always made dua to Allah Ta'ala to help him. He understood that Allah Ta'ala is Al-Aleem, The All-Knowing; As-Samee, The All-Hearing and An-Naasir, The Helper. Allah Ta'ala had full knowledge of his condition and it was only Allah Ta'ala who could take him out of these difficulties.

After many years, one day, Allah Ta'ala caused a spring of water to gush from the ground. He told Nabi Ayyoob (alayhis salaam) to wash his body with the water and to drink from it also. Nabi Ayyoob (alayhis salaam) did as Allah Ta'ala commanded him and immediately a miracle happened - all his sickness went away! He became strong and healthy again. Allah Ta'ala gave him his wealth back and blessed him with many more beautiful children.

Allah Ta'ala was very happy with the way Nabi Ayyoob (alayhis salaam) made shukar in times of happiness and sabr in times of difficulty and sickness.

After all, Allah Ta'ala is Al-Qadir, The Most-Powerful. Allah Ta'ala has full power and control over everything.

Lessons learnt from the Story of Nabi Ayyoob (alayhis salaam):

- **Everything is from Allah Ta'ala:** All the blessings we enjoy came from Allah Ta'ala alone. He can take them away from us whenever He wishes.
- **Allah Ta'ala is An Naasir (The Helper):** Only Allah Ta'ala can help us when we are in difficulty.
- **Allah Ta'ala hears our duas.** He is As-Samee' (The All-Hearing). We must make dua to Allah Ta'ala to help us.
- **Allah Ta'ala is All-Powerful:** Through a miracle he cured Nabi Ayyoob (alayhis salaam). Nothing is too hard for Allah Ta'ala
